

# Directions Sheet for Completing the 2010 EANA Scholarship Application

## Application Process Requirements:

1. File a **Free Application for Federal Student Aid (FAFSA)** application for 2010. FAFSA will use the information you report to calculate your eligibility for financial aid using a defined formula (known as the Federal Methodology.) Federal agencies, state agencies (PHEAA in particular), and many colleges use your FAFSA results to help determine the financial aid they will offer. You can get a FAFSA application from the guidance office or you can apply online at <http://www.fafsa.ed.gov/>. You and your parents may need to complete (but not necessarily file) your federal income tax returns at least a few weeks prior to the April 15, 2010 deadline in order to file your FAFSA. Upon processing your FAFSA application you will be issued a **Student Aid Report (SAR)** that includes your **Expected Family Contribution (EFC)**. You must submit a copy of your SAR with your scholarship application.
2. Obtain from the guidance office an unofficial copy of your NAHS transcript and a copy of your report card, which must be recent enough to include your grades for the first semester of the 2009-10 academic school year.
3. On a single page type, print, or write legibly a brief narrative detailing information not already included elsewhere in your application package that you believe impacts on your candidacy for this scholarship and that you want to provide us. Examples of information previous applicants have often included are their reasons for attending college, goals for the future, and/or unusual family financial situations (multiple family members in college, unusual family expenses, recent loss of income, etc.). What you write, however, is entirely your choice.
4. Complete the **EANA Scholarship Application** form. Type your information or print legibly. Provide an entry in each space. In any space that you have no information to report, either write the word *none* or enter a horizontal slash (—————). Sign and date the application as your acknowledgement of the statement printed immediately above the signature line.
5. Your scholarship application must include the following documents:
  - your EANA Scholarship Application form,
  - your SAR from your FAFSA application,
  - your unofficial transcript and a copy of your report card, and
  - your one-page narrative.
6. Mail the completed application package by United States Postal Service delivery to the following address:

EANA Scholarship Trust  
c/o Roosevelt Alternative School  
1161 Markley Street  
Norristown PA 19401-3263

Your application must be **received** at the above address no later than **Friday May 14, 2010**. Mail you application early enough to guarantee delivery by this date. Include your return address on the outside of your envelope. **No other form of delivery will be accepted.**

The guidelines and procedures the Scholarship Committee uses to determine scholarship awardees do not allow for the inclusion of applications that fail to meet the requirements listed on this page. Incomplete, late, and/or incorrectly delivered applications will not be processed or considered.
